What is NAMI?

The National Alliance on Mental Illness (NAMI) is the nation's largest grassroots non-profit mental health organization whose goal is to improve the quality of life for people affected by mental illness.

As a nationwide coalition, NAMI encompasses more than 1,200 state and local affiliate groups. Members of NAMI include people living with mental illnesses, families, and friends.

All of NAMI Payson services are free, but we encourage membership. As a member of NAMI, you will join forces with parents, spouses, siblings, friends and peers who struggle with mental illness. Your yearly dues allow NAMI Payson to continue to provide support, education and advocacy in Rim Country. We are a number that counts!

As a member you will receive an annual subscription to *The Advocate*, a national magazine with the latest research, treatments and medications for mental illness.
